Subject: COBRA Subsidy Extended...Again

COBRA Subsidy Extended

Eligibility for the federal COBRA subsidy has been extended an additional month through March 31, 2010. Therefore, those who become eligible for COBRA on or before March 31, 2010 due to an involuntary termination are eligible for up to 15 months of the 65% federal subsidy.

There is pending legislation that would extend eligibility through 2010. SBA will notify you if and when there are changes to the COBRA subsidy provisions.

As always, please do not hesitate to contact us with any questions.
