Subject: IRS Defers W-2 Requirement Under Health Reform

The Internal Revenue Service (IRS) announced today that it is NOT mandatory for employers to report the cost of employer-sponsored group health coverage for 2011 on the Form W-2. The requirement is deferred to 2012.

The IRS also released a draft Form W-2 for 2011 that includes codes for reporting the cost of employer-sponsored coverage, if employers elect to do so for 2011.

Details are available on the IRS website:
