

"Curtis innovation has come through once again in an enclosure that gives me weather protection and excellent visibility."

Alice A., Daytona, FL
Owner

Why Curtis?

■ Smart Design

Entire Curtis system utilizes the OEM roof and windshield and installs on your existing vehicle.

■ Rugged Material

CNC formed tubular supporting structure with custom thermoformed panels.

■ High Visibility and style

Custom molded windows on all sides for excellent visibility and superior styling.

■ Optional Heater and Cooling Fan available

See inside for more information.
