

# 2010 Polaris Ranger 800

## **Curtis PathPro™** **Part# 1PRG800SC**

- Durable, zipper-style enclosure
- Heavy Duty WeatherPro™ fabric will provide years of trouble-free use.
- Impact-modified Acrylic windshield for durability and safety
- Removable doors allow enclosure to adapt to any climate.
- Windows store in “open” position to improve ventilation.
- Rear Panel includes full zipper window allowing in-bed access.
- Best-in-Class fit-n-finish and the only cab in its class to include the windshield!

Introducing the New PathPro™ cab enclosure system for the Polaris Ranger 800. This best-in-class enclosure is the perfect solution to get you out of the elements and back on the trail.
